Notice dated 1st April 1926.

In accordance with the decision of the Central Flood Relief Committee held on 23rd October 1925, the following resolution passed in regard to the disposal of the unspent balance of nearly Rs. 65,000 is published for general information and suggestions thereon are invited from the subscribers to the Flood Relief Fund and the public generally to reach the undersigned not later than the 30th June 1926, for consideration by the Central Flood Relief Committee which will meet thereafter for confirming the said resolution.

"Resolved that the balance of about Rs. 65,000 be constituted into a fund to be invested in approved securities and that the interest on the said sum be made available for the relief of poor people in emergencies of distress caused by floods, fire, famine or other causes in any part of the Mysore State and not falling within the purview of Government. The amounts unutilized in any year may be added on to the corpus of the fund. If, however, owing to emergencies, a larger expenditure than the annual accretions of money is required, the trustees may draw the accumulated interest of the previous years without however trenching on the corpus of the fund. For the management of this fund there may be a Board of Trustees consisting of five members to be nominated by Government, two of them being Officers of Government and three Non-official gentlemen, to be in office for a period of five years at a time, casual vacancies being however filled up for the rest of the term. An Annual Report of the transactions of the Board may be published in the *Mysore Gazette* and in the local newspapers. This fund may be styled "The Mysore Distress Relief Fund."
